3. Tree-tapping licenses shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree owners generally, and of sweet-toddy tappers in the Godavari district, and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, for not more than five trees in the case of tree owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory; and

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State.

In cases (*a*), (*b*), (*d*), and (*e*) the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (*c*) and (*f*) in the name of the applicant only.

4. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

5. (1) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before

the Kistna Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Kanara district should be countersigned by the owner of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Gódavari district and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Arenga Wightii*) trees in South Kanara, tree-tapping licenses shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for cocoanut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees having been illicitly tapped, when the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

Districts	Cocoanut palms (for each half-year as defined in rule 11 above).	Sago palms (for each half year as defined in rule 11 above)	Palmyra or date palms (for the whole year as defined in rule 11 above).	Dadasal (*Arenga Wightii*) palms (for the whole year as defined in rule 11 above).

14. Every instalment of tree-tax shall be paid on the first day of the month in which it falls due.

15. For the convenience of applicants, applications will be received from 1st September or 1st March; but no trees will be marked, nor licenses issued, nor preparations of spathes permitted before 15th September or 15th March; nor shall pots be attached to trees before the evening of the 30th September or 31st March, as the case may be. In the case of date trees the process of preparation will be allowed from the 15th September but the incision required for the insertion of the drip leaves will not be allowed before the evening of the 30th September. 16. Free-foot sales or sales in the open are absolutely prohibited.

In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari Opium Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or, of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold

at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. At the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within ten days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a license on the conditions hereinafter set forth. In the event of the purchaser's death after issue of the license, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the license as well as for the proper observance of all the conditions of the license. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is required to deposit some that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 57, Schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a license under clause VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XI. The deposit referred to in clause VII or clause VIII, as the case may be, will be taken as security for the due performance of the conditions of the license and may be credited towards the last instalments of the kists payable.

General Conditions applicable to all Abkari and Opium Licenses.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorised under condition 11 or 40 infra.

15. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer.
